The incredible adventures of
Jimmy Lee
'The Runaway'

'Jimmy, his guitar, wonderful songs, narrative and projected images give you an insight into one of the most extraordinary and entertaining life stories you are ever likely to hear...'

Jimmy had a start in life few would have survived

Taken into care at 4 years old,
by the age of 11 he'd had 10 homes and 9 schools.

At the age of 14 he ran away...

Then his troubles really began!!!!

4 Great Albums!

The Runaway

Jimmy Lee & The Edge of Chaos Orchestra

The songs of Jimmy Lee are truly confessional, moving effortlessly from ballads to instrumentals and folk-rock. It is a memorable album and songs such as 'Hard Man' impart an awful lot about this enigmatic composer singer songwriter.

The Edge of Chaos Orchestra, that combine classical and traditional instruments, sail through a challenging variety of original compositions.
